

## PartsCARE™ and PlannedCARE™

### It All Adds Up to Peace of Mind

#### Lower Cost of Ownership

PartsCARE and Planned CARE programs provide the most cost-effective solutions based on your customized requirements.

#### Quality Results

Milton Roy factory-trained service technicians are backed by more than 85+ years of industry experience.

#### Increased Uptime

Our CARE programs help decrease unplanned downtime and costly production interruptions.

#### Efficient Energy Use

Peak system efficiency is achieved through properly performed maintenance and inspection.

#### Peace of Mind

Our world-class services will help you achieve the results you need, while you focus on what's important to your business.

At Milton Roy, we offer more than just pumps and mixers. We partner with you throughout the system life-cycle from installation, through commissioning to operation, maintenance and future growth. We leverage our expertise to deliver personally tailored solutions which ensure you benefit from:

- **Lower Total Cost of Ownership**

Customize your specific plan for optimum control

- **Consistent Quality Results**

Only authorized factory parts and expertise to ensure desired results

- **Increase Up-Time**

Minimize risk and avoid costly unplanned downtime

- **Optimized Efficiency**

Maximize Peak performance of chemical and energy usage

- **Better planning**

Ensure parts availability when needed, reduce inventory carrying costs and help avoid last minute rush orders

- **Ease of ordering**

With clarity on technical details, prices and lead times for the next 3-5 years, you can focus your resources on your business

- **Updated records**

Through the CARE Programs you have a complete overview on obsolete/replacement parts along with recommended spares which saves time and effort

- **Peace of Mind**

Confidence knowing your process and resources are under control
